The soldiers ensured a quick death to the two criminals (by breaking their legs); the Lord Christ was already dead: <i>"NOT A BONE OF HIM SHALL BE BROKEN."</i> The Jews sought to have the bodies removed from the cross before sundown because OT law specified that a person hung on wood should not remain so overnight.				Joh 19.31-37 Then the Jews, because it was the day of preparation, so that the bodies would not remain on the cross on the Sabbath (for that Sabbath was a high day) , asked Pilate that their legs might be broken, and that they might be taken away.
The body of the Lord Christ was entombed. (All the events were completed just prior to sundown.)	Mat 27.57-58a When it was evening , there came a rich man from Arimathea, named Joseph, who himself had also become a disciple of Jesus. This man went to Pilate and asked for the body of Jesus. Pilate granted permission to Joseph of Arimathea to take away the body of the Lord Christ.	Mat 27.58b-60 Then Pilate ordered it to be given to him. And Joseph took the body and wrapped it in a clean linen cloth, and laid it in his own new tomb, which he had hewn out in the rock; and he rolled a large stone against the entrance of the tomb and went away.	Mar 15.45b-46 he granted the body to Joseph. Luk 23.53-54 And he took it down and wrapped it in a linen cloth, and laid Him in a tomb cut into the rock, where no one had ever lain. It was the preparation day, and the Sabbath was about to begin.	Joh 19.38b-42 and Pilate granted permission. So he came and took away His body. Nicodemus, who had first come to Him by night, also came, bringing a mixture of myrrh and aloes, about a hundred pounds weight. So they took the body of Jesus and bound it in linen wrappings with the spices, as is the burial custom of the Jews. Now in the place where He was crucified there was a garden, and in the garden a new tomb in which no one had yet been laid. Therefore because of the Jewish day of preparation , since the tomb was nearby, they laid Jesus there.
